DOWNTOWN LINCOLN BIKE LANES ARE HERE!

Downtown bike lanes are now located on 14th Street from "L" Street to "R" Street northbound and on 11th Street from "Q" Street to "K" Street southbound.

The bike lanes are for the exclusive use of bicyclists. Motor vehicles may cross over the bike lane to move into another appropriate travel lane, to enter or exit on-street parking spaces, or to enter or exit private property, but motorists are not to use the bike lanes for continuous travel down the street.

Bicyclists

- Bicyclists must obey all traffic laws.
- Bicyclists must travel in the direction of the vehicular traffic in the roadway where the bike lane is located.
- Yield right of-way when entering a street from any alley, building, or road to all pedestrians and vehicles approaching on sidewalks and roadways.
- Do not obstruct other bicyclists from passing in the bike lane. Riding single file in the bike lane is recommended.
- Obey all stop control and traffic signals, just as all other vehicular traffic must do.
- Always wear a helmet.

Motorists

- Drivers must obey all traffic laws.
- Drivers must yield to oncoming bicyclists just as you would to oncoming motorists.
- Bicyclists are not restricted to the bike lanes or the right lane of traffic. A bicyclist may need to change lanes to make turns or continue through an intersection.
- Avoid turning directly across the path of a bicycle traveling in the same direction.
- Do not use the bike lanes for continuous travel.
- Do not park, stop or interfere with the use of the bicycle lane.

Motorists and Bicyclists: Share the Road

Penalties and enforcement apply to any person violating these rules and provisions for safety on the roads.
